

2021, Lottery - Applications and Seats Available

These numbers reflect the number of seats made available in the 2021 My School DC lottery. For example, in PK3, there were 4,380 individual applicants this year, and 6,454 seats were made available in the lottery.

Many schools fill a significant portion of their seats with students who re-enroll and students who have a right-to-attend due to a feeder pattern or geographic right (DCPS neighborhood schools only). Those seats are not allocated through the lottery or reflected in this table.
